DIVISION OF BOATING AND OCEAN RECREATION
LAHAINA HARBOR
MAUI
ID# 1301

GENERAL SITE DESCRIPTION:

Located on the northwest coast of Maui in Lahaina Town, the Lahaina Harbor offers 83 moorings, loading docks, a fuel facility, Harbor Office, and restrooms.

PROPOSED IMPROVEMENTS:

Location 1 – Parking:

Parking Fronting Pier: A total of nine (9) existing stalls are provided. A van accessible parking stall will be provided without time limit.

Employee Parking: A total of forty-seven (47) existing reserved parking stalls are provided. Two (2) paved accessible stalls will be provided, of which, one (1) van accessible stall will be provided.

Location 2 – Restroom:

Accessible Route: An accessible route will be provided.

<u>Accessible Signage:</u>	Accessible route signs will be provided at each stairway and steep ramp to indicate the location of the accessible route.
----------------------------	---

Restroom: Accessible restrooms will be provided.

Location 3 – Harbor Office:

Accessible Route: An accessible route will be provided.

Harbor Office: The Harbor Office will be accessible.

Location 4 – Piers:

Accessible Route: Accessible route signs will be provided.

Finger Piers: The end slip, which has an accessible route, will be designated as an accessible pier. (See “Comment” for additional information.)

Location 5 – Telephone:

Telephone: Accessible telephone will be provided at Harbor Office and Slip 36.

COST ESTIMATE/SCHEDULE:

Design	\$48,000	2003-2004
Construction	\$71,000	2004

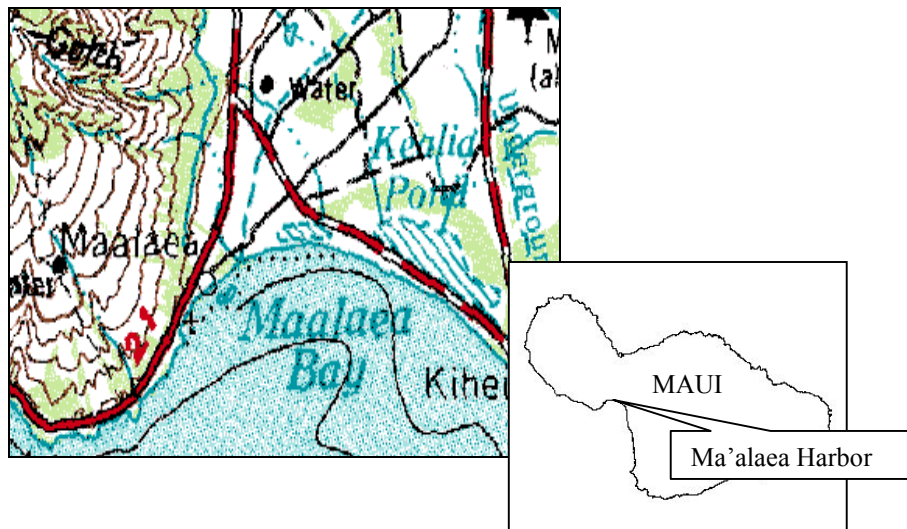

COMMENTS:

The route to the end slip is accessible but the finger pier is not accessible due to its narrow width. Work on the finger piers will be deferred pending approval of ADAAG for Boating Facilities.

DIVISION OF BOATING AND OCEAN RECREATION
MA'ALAEA HARBOR
MAUI
ID# 1302

GENERAL SITE DESCRIPTION:

Located on the west coast of Maui, approximately 16 miles southeast of Lahaina, Ma'alaea Harbor offers 89 moorings, boat ramp, loading dock, vessel wash down area, Harbor Office and a U.S. Coast Guard Station.

PROPOSED IMPROVEMENTS:

Location 1 – Parking:

- Parking: A total of 250 existing stalls are provide. Seven (7) accessible stalls will be provided, of which, three (3) will be van accessible.
- Boat Trailer Parking: A total of nine (9) existing stalls are provided. One (1) van accessible stall will be provided.
- Boat Wash down: An accessible boat wash down area will be provided.

Location 2 – Harbor Office Building:

- Parking: A van accessible stall will be provided.
- Accessible Route: An accessible route to the building will be provided.

Harbor Office: The office is located on the second floor. Stairs provide the only access. The office will be made programmatic accessible. A buzzer will be located at the bottom of the stairs that would be directly connected to the office. Upon request, meetings will be conducted at an accessible meeting room located at an accessible site. An accessible stairs, with handrail, will be provided. The office will be made accessible.

U.S. Coast Guard: An accessible entrance will be provided.

Storage: An accessible entrance will be provided.

Location 3 – Piers:

Finger Pier: The first pier is accessible and will be designated the accessible pier.

Boat Ramp Dock: An accessible boat ramp dock will be provided.

Location 4 – Restrooms:

Accessible Route: An accessible route will be provided.

Restrooms: Accessible restrooms will be provided.

Location 5 – Telephone:

Telephone: Accessible telephones will be provided.

Location 6 – The Ma’alaea Boat & Fishing Club and Restaurant Building:

One (1) van accessible stall will be provided. An evaluation will be made on lease/permits with the DLNR addressing the Title II requirements. Title III compliance will remain the responsibility of the lessee/permittee.

COST ESTIMATE/SCHEDULE:

Design	\$59,000	2003-2004
Construction	\$116,000	2004-2005

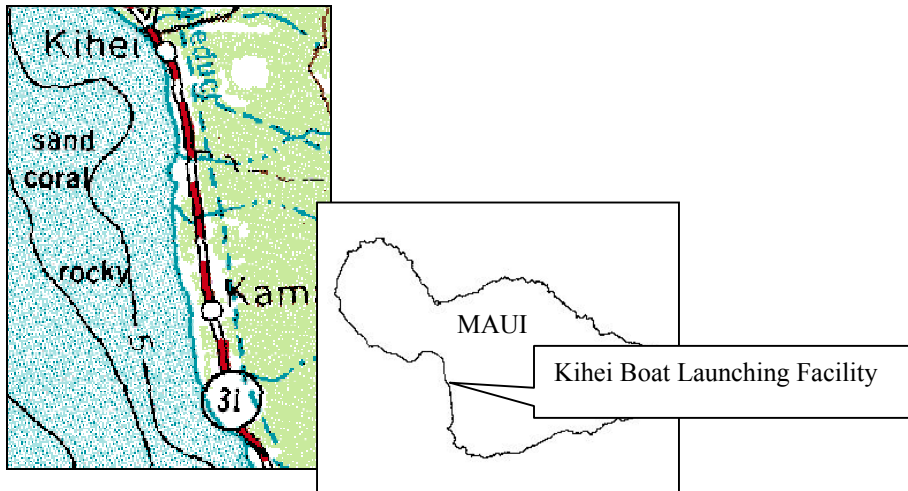

COMMENTS:

Due to the condition of the piers, work on the finger piers will be deferred pending approval of ADAAG for boating facilities.

DIVISION OF BOATING AND OCEAN RECREATION
KIHEI BOAT LAUNCHING FACILITY
MAUI
ID# 1303

GENERAL SITE DESCRIPTION:

Located in South Kihei on the south side of Maui, the Kihei Boat Launching Facility offers parking for cars and boat trailers, three (3) ramps, two (2) docks, a vessel wash down area, restrooms and showers.

PROPOSED IMPROVEMENTS:

Location 1 – Parking:

<u>Parking:</u>	A total of 84 existing stalls are provided. Three (3) accessible stalls will be provided, of which, one (1) will be van accessible. All accessible stalls will be provided at the lower level parking lot near the restrooms.
<u>Accessible Route:</u>	Directional signage will be provided indicating location of the accessible stalls. Accessible handrails will be provided on the stairway connecting the upper parking lot to the lower parking lot. No accessible ramp will be provided.
<u>Boat Trailer Parking:</u>	A total of 36 existing boat trailer stalls are provided. Two (2) accessible boat trailer stall will be provided, of which, one (1) will be van accessible.
<u>Boat Wash Down:</u>	An accessible boat wash down area will be provided.

Location 2 – Restrooms:

Accessible Route: An accessible route will be provided.

Restroom: Accessible restrooms will be provided.

Outdoor Shower: An accessible route and an accessible shower will be provided.

Location 3 – Picnic Area:

Accessible Route: An accessible route will be provided.

Picnic Table: An accessible picnic table will be provided.

Location 4 – Boat Ramp Dock:

Dock: The pier is not accessible, due to its narrow width. No work will be done.

Location 5 – Telephone:

Telephone: An accessible telephone will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$39,000	2003-2004
Construction	\$51,000	2004

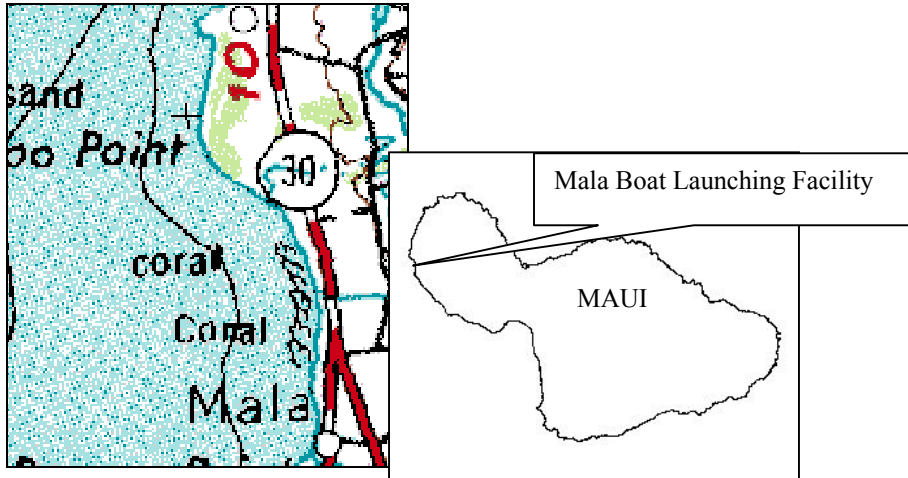

COMMENTS:

Work on the piers will be deferred pending approval of ADAAG for Boating Facilities.

DIVISION OF BOATING AND OCEAN RECREATION
MALA BOAT LAUNCHING FACILITY
MAUI
ID# 1304

GENERAL SITE DESCRIPTION:

Located approximately one mile north of Lahaina on the west coast of Maui, the Mala Boat Launching Facility offers a pier, two (2) boat ramps, a loading dock, a vessel wash down area, restrooms, and showers.

PROPOSED IMPROVEMENTS:

Location 1 – Parking:

Boat Trailer Parking: A total of 27 existing boat trailer parking are provided. Two (2) accessible boat trailer stalls will be provided, of which, one (1) will be van accessible.

Restroom Parking: A total of four (4) existing stalls are provided. One (1) van accessible stall will be provided.

Boat Wash Down: An accessible boat wash down area will be provided.

Location 2 – Restrooms:

Restroom: Accessible restrooms will be provided.

Outdoor Shower: An accessible outside shower will be provided.

Location 3 – Boat Ramp Pier:

Loading Dock: An accessible loading dock will be provided.

Location 4 – Telephone:

Telephone: An accessible telephone will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$29,000	2003-2004
Construction	\$43,000	2004

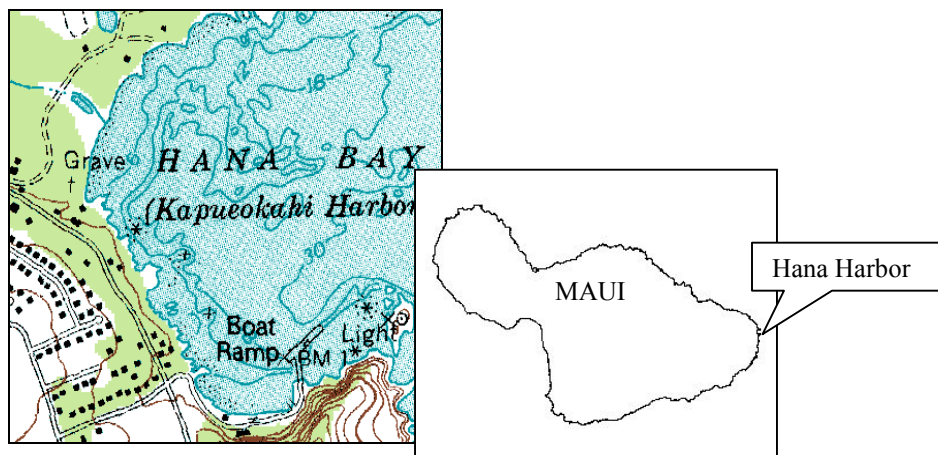

COMMENTS:

None.

DIVISION OF BOATING AND OCEAN RECREATIONS
HANA HARBOR
MAUI
ID# 1305

GENERAL SITE DESCRIPTION:

Located on the easterly end of Maui, 59 miles from Wailuku, in the town of Hana, Hana Harbor offers ten moorings, a pier and boat ramp.

PROPOSED IMPROVEMENTS:

Parking: A total of eight (8) existing stalls are provided. One (1) van accessible stall will be provided.

Loading Dock: Accessible handrails will be provided on the dock stairway. An accessible ramp will not be provided, due to existing conditions.

COST ESTIMATE/SCHEDULE:

Design	\$6,000	2003-2004
Construction	\$7,000	2004

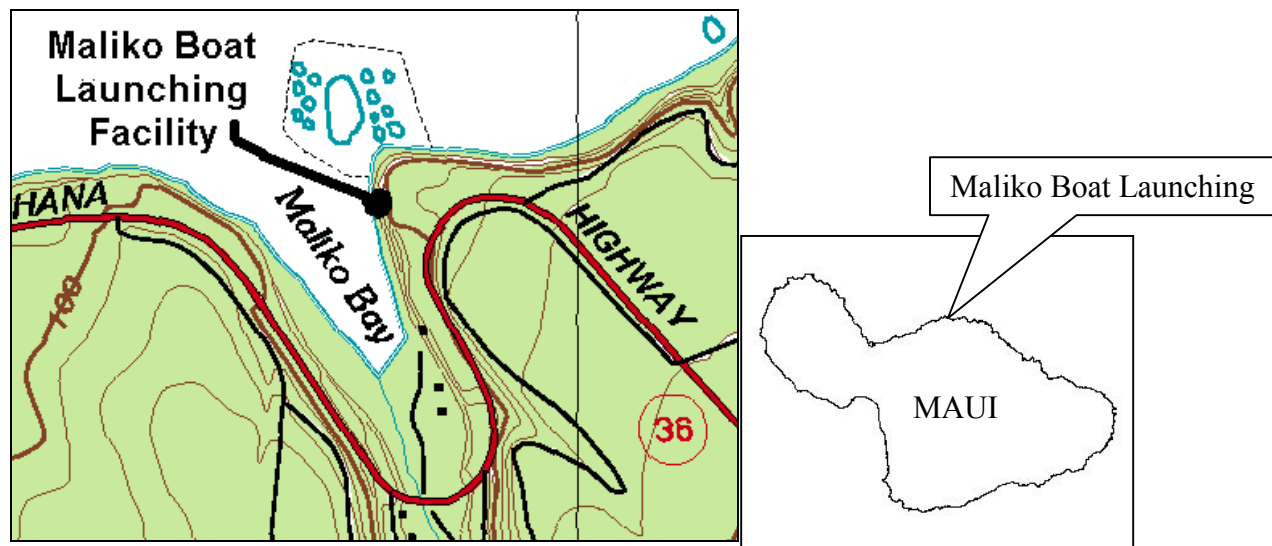

COMMENTS:

A study will be conducted to determine feasibility of constructing an accessible ramp to the boat loading dock.

DIVISION OF BOATING AND OCEAN RECREATION
MALIKO BOAT LAUNCHING FACILITY
MAUI
ID# 1308

GENERAL SITE DESCRIPTION:

Located on the north shore of Maui, close to the town of Paia, Maliko Launch Ramp offers a single-lane, 18-foot wide ramp and a loading dock.

PROPOSED IMPROVEMENTS:

Location 1 – Parking Lot:

Public Parking: A van accessible parking stall will be provided.

Accessible Route: An accessible route will be provided from the parking stall to the dock.

Location 2 – Boat Launch Dock:

Dock: An accessible dock will be provided.

Accessible Route: An accessible route to the dock will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$14,000	2004
Construction	\$30,000	2004-2005

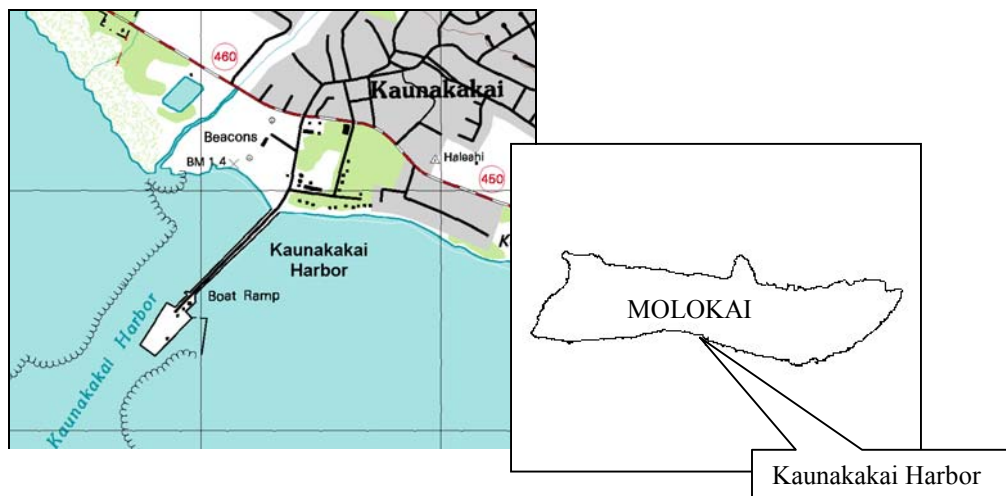

COMMENTS:

None.

DIVISION OF BOATING & OCEAN RECREATION
KAUNAKAKAI HARBOR
MOLOKAI
ID# 1306

GENERAL SITE DESCRIPTION:

Located on the island of Molokai, Kaunakakai Harbor is both a recreational and commercial harbor and is shared by the Department of Land and Natural Resources (DLNR) - Division of Boating and Ocean Recreation (DOBOR) and the Department of Transportation (DOT) - Harbors Division. The small boat harbor, which is under DLNR, has a 12-foot wide boat ramp, 29 berths/mooring spaces, (two) 2 docks, a pier, parking area, boat wash down area, restrooms, and a harbor office.

PROPOSED IMPROVEMENTS:

Location 1 – Parking:

Parking:

A total of 81 existing stalls are provided. Four (4) accessible stalls will be provided, of which, two (2) will be van accessible.

Molokai Ice House:

A van accessible stall will be provided at the Ice House.

Location 2 – Harbor Office Building:

Accessible Route:

An accessible route will be provided to the Harbor Office building.

Harbor Office:

The office will be accessible.

Water Fountain:

An accessible water fountain will be provided.

Location 3 – Restrooms:

Restrooms: Accessible restrooms will be provided.

Location 4 – Telephone:

Telephone: Accessible telephone will be provided.

Location 5 - Accessible Route:

An accessible route will be provided connecting the Harbor Office Building to the Moorings and Ferry Dock.

Location 6 – Mooring Berth:

Accessible Route: An accessible route to the loading dock will be provided.

Loading Dock: The existing loading dock is accessible.

COST ESTIMATE/SCHEDULE:

Design	\$37,000	2003-2004
Construction	\$75,000	2004

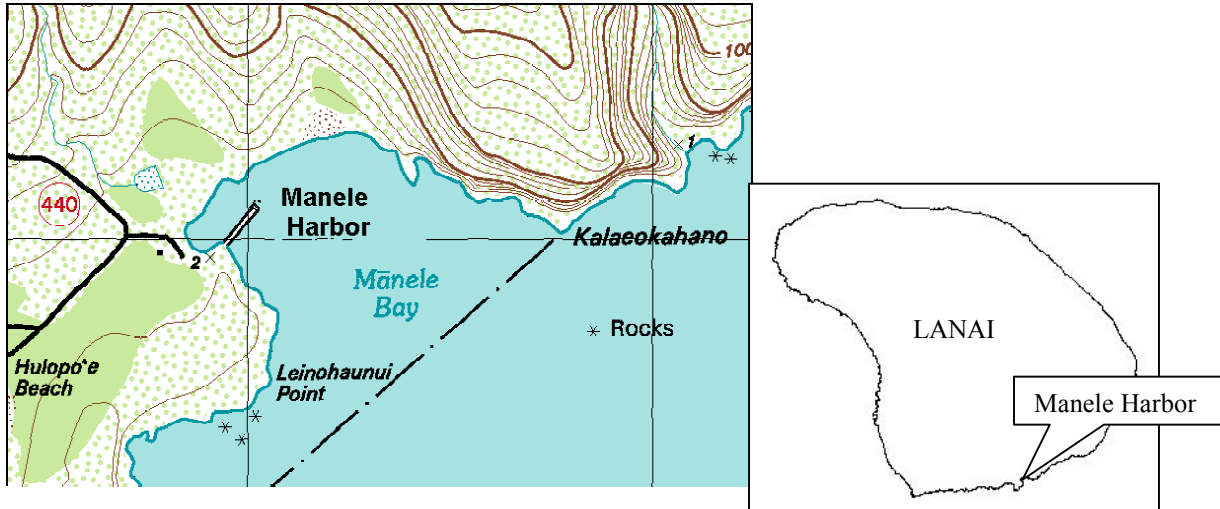

COMMENTS:

One existing mooring berth will be made accessible. Work on the other docks will be deferred pending approval of ADAAG for Boating Facilities.

DIVISION OF BOATING & OCEAN RECREATION
MANELE HARBOR
LANAI
ID# 1307

GENERAL SITE DESCRIPTION

Located on the south coast of Lanai, eight (8) miles from the coast of Maui, Manele Small Boat Harbor offers 24 berths, a boat ramp, pier, loading dock, boat wash down area, restrooms, shower, gravel parking, and harbor office.

PROPOSED IMPROVEMENTS:

Location 1 – Parking:

Parking: All parking areas are gravel. Two (2) paved van accessible stalls will be provided.

Location 2 – Harbor Office Building:

Accessible Route: An accessible route will be provided from the accessible stall to the Harbor Master's Office building.

Harbor Office: The office will be accessible.

Location 3 – Restrooms:

Accessible Route: An accessible route will be provided from the accessible stall to the restrooms.

Restrooms: Accessible restrooms will be provided.

Location 4 – Loading Dock:

Loading Dock: The existing loading dock is accessible.

Finger Pier: An accessible finger pier will be provided.

Location 5 – Leased Space (Pavilion/Loading Dock):

An evaluation will be made on lease/permits with the DLNR addressing the Title II requirements. Title III compliance will remain the responsibility of the lessee/permittee.

COST ESTIMATE/SCHEDULE:

Design	\$43,000	2003-2004
Construction	\$109,000	2004

COMMENTS:

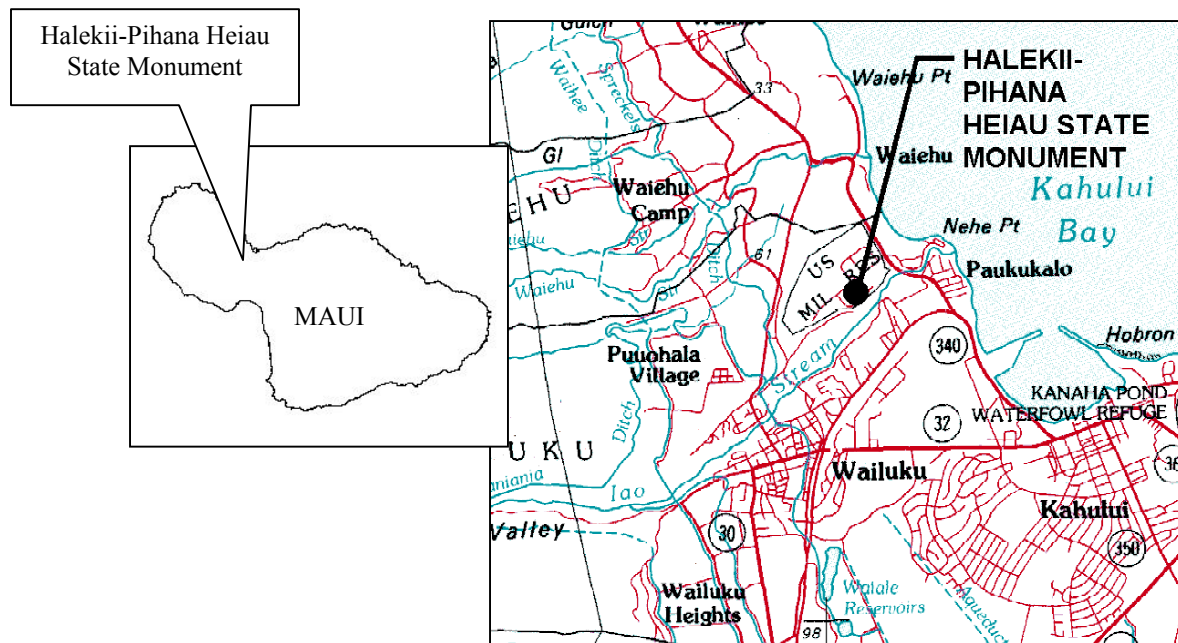

One (1) existing mooring berth will be made accessible. Work on the other finger piers will be deferred pending approval of ADAAG for Boating Facilities.

DIVISION OF STATE PARKS
HALEKII-PIHANA HEIAU
STATE MONUMENT
MAUI
ID# 2301

GENERAL SITE DESCRIPTION:

Located within the Wailuku Industrial Area, this historic site contains the Halekii and Pihanakalani Heiaus. The two (2) heiaus are located on a sand ridge with the Halekii Heiau upslope of the parking and the Pihanakalani Heiau over 400 feet further upslope.

Interpretive signs are provided near the parking area explaining the historic significance of the site. No restrooms or drinking water provided. The Halekii-Pihana Heiau is listed under the National and State Registry of Historic Places.

PROPOSED IMPROVEMENTS:

Parking:

Total of nine (9) stalls are provided in one (1) lot, of which one (1) van accessible stall will be provided.

Interpretive Signage: The existing interpretive signs will be made accessible.

Route to Heiau:

Accessible handrails will be provided and a feasibility study will be conducted to determine if an accessible route is possible.

COST ESTIMATE/SCHEDULE:

Design	\$24,000	2003-2004
Construction	\$80,000	2004

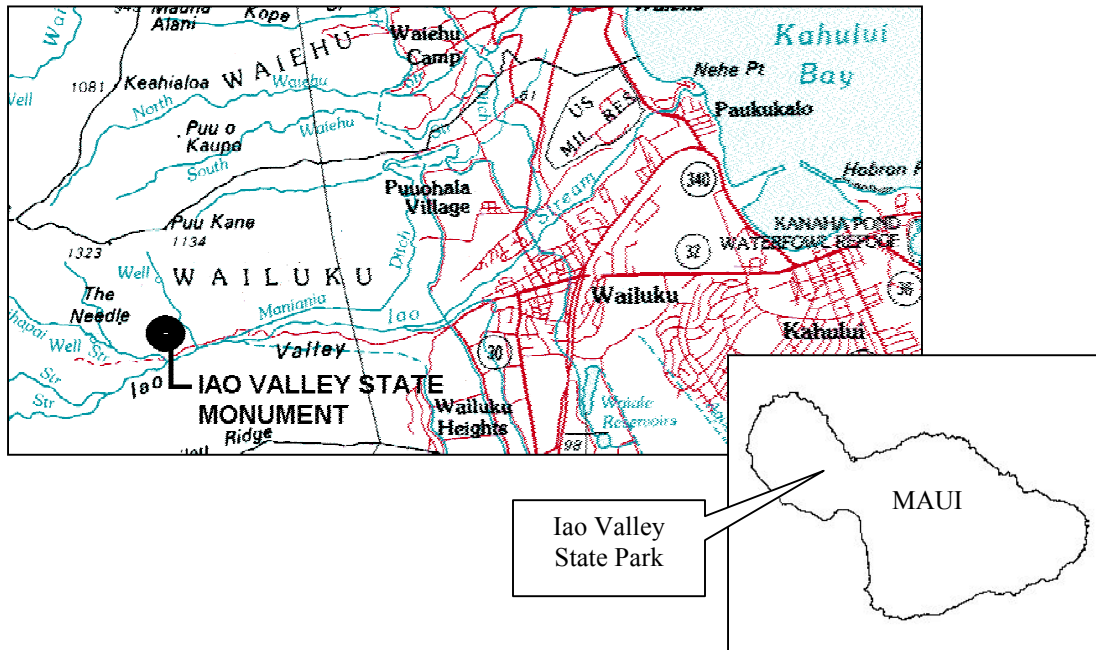

COMMENTS:

None.

DIVISION OF STATE PARKS
IAO VALLEY STATE MONUMENT
MAUI
ID# 2302

GENERAL SITE DESCRIPTION:

Located at the end of Iao Valley Road in Wailuku. The valley park, from its trail, offers views of Iao Needle, a 2,250-foot tall natural rock feature overlooking Iao Stream, and scenic back views of the valley. The park contains restroom and parking facilities.

PROPOSED IMPROVEMENTS:

- Parking: A total of 34 stalls are provided in a paved lot. The lot will have two (2) van accessible stalls provided under Job No. H09-C-F32-A, Iao Valley State Park, Site Improvements.
- Comfort Station: One (1) each men's and women's restroom will be made accessible, including a route from accessible parking to the comfort station under Job No. H09-C-F32-A.
- Loading Zone: An accessible passenger loading zone will be provided under Job No. H09-C-F32-A.

Location 1 - Trail To Iao Needle Viewing Area and Lower Viewing Sites:

Trailhead is located near the comfort station. Improvements on the trails will be deferred pending approval of ADAAG for Accessibility Guidelines for Outdoor Developed Areas.

Location 2 - Shelter At Iao Viewing Area:

A bench will be installed in the shelter as a detectable barrier to the low roofline of the shelter under Job No. H09-C-F32-A. The shelter is located on a promontory at the end of the park trail.

COST ESTIMATE/SCHEDULE:

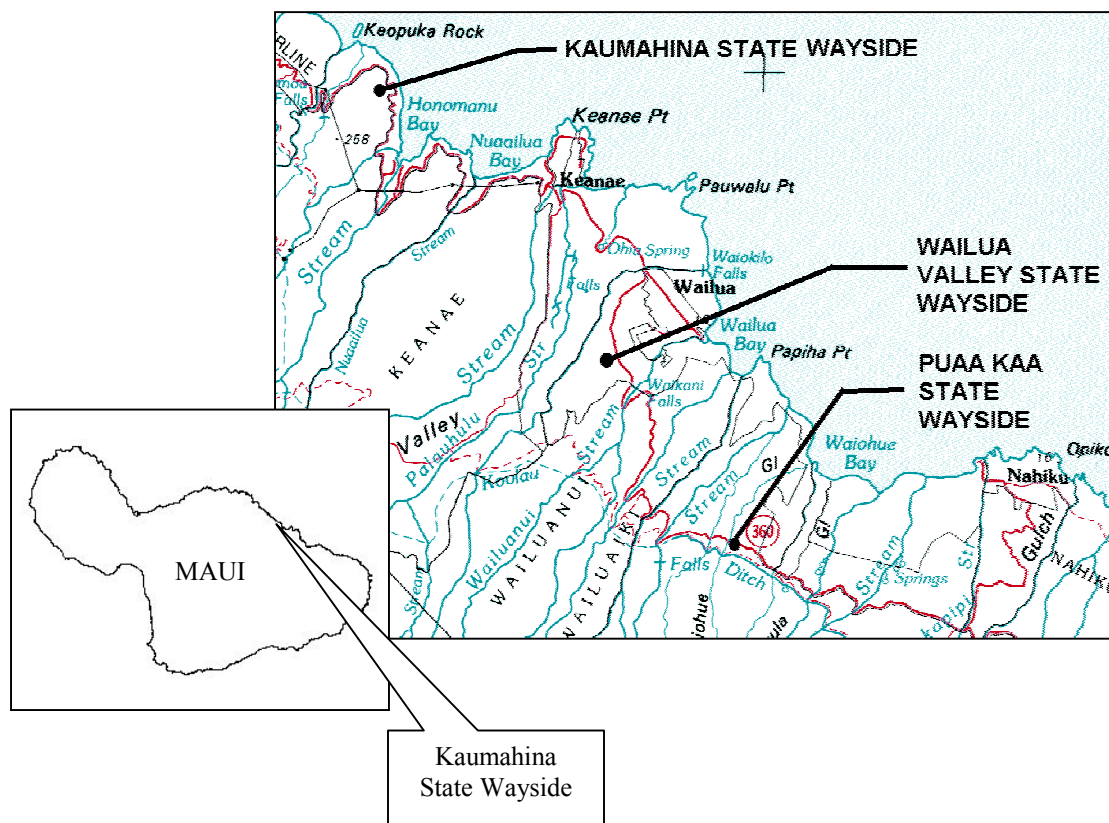

Design	\$0	---
Construction	\$0	---

COMMENTS:

Job No. H09-C-F32-A scheduled for completion by December 2003 utilizing non-ADA funding. Most of the valley lands around the developed park are privately controlled.

GENERAL SITE DESCRIPTION:

Located along Hana Highway, approximately 28 miles east of Kahului Airport, this 7.8 acre forested rest stop provides parking, portable toilets, picnicking, and scenic views of the Keanae Peninsula and coastline. This is one of two rest stops between Kahului and Hana, offering public toilet facilities and picnic tables. The other facility is Puaa Kaa State Wayside. No drinking water is provided.

PROPOSED IMPROVEMENTS:

Parking:

A total of 16 stalls are provided in a paved lot. One (1) van accessible stall will be provided.

Comfort Station:

Portable toilets are currently provided. A new accessible comfort station will be provided under Job No. F59-C-626-A, Kaumahina State Wayside, New Comfort Station.

Picnic Tables:

One (1) accessible picnic table and route will be provided.

Barbecue Pits:

One (1) accessible barbecue pit will be provided.

Route to Lookout: An accessible route to the lookout will be provided.

Lookout: A portion of the existing lookout will be modified for accessibility.

COST ESTIMATE/SCHEDULE:

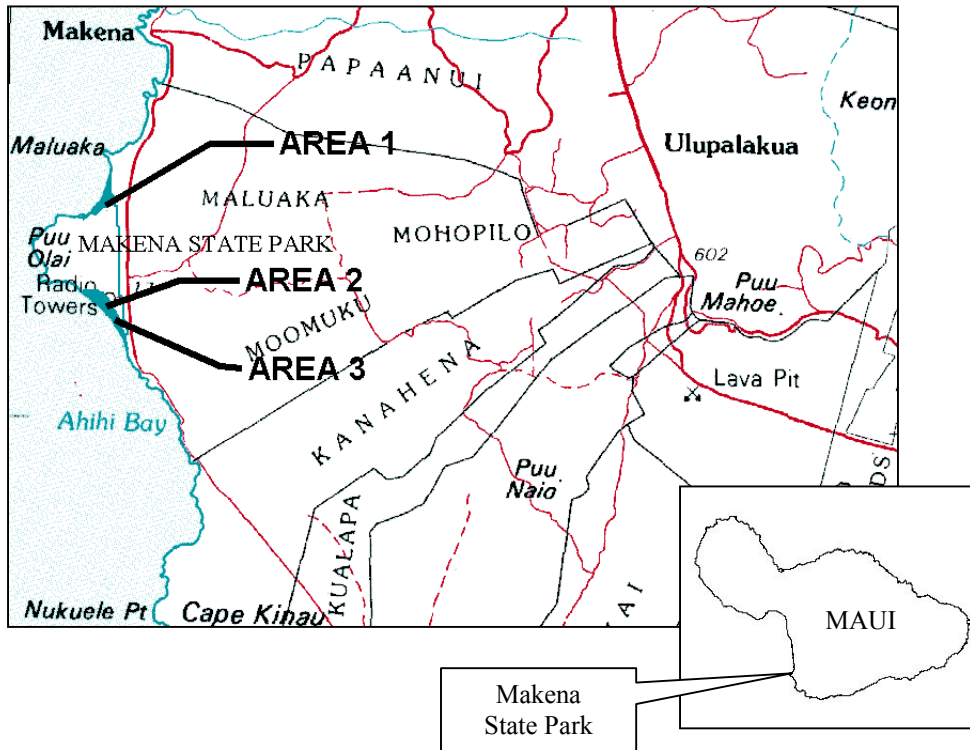

Design	\$19,000	2003-2004
Construction	\$20,000	2004

COMMENTS:

Job No. F59-C-626-A under design and scheduled to be constructed by the end of 2004 utilizing non-ADA funding.

GENERAL SITE DESCRIPTION:

Located South of Wailea at Puu Olai volcanic cone just beyond the end of Wailea Alanui Road, this scenic wildland beach park is characterized by a prominent cinder cone and large white sand beach. There are three (3) separate entrances to the park, two (2) have paved parking (Area #2 and Area #3) and the other has unpaved parking (Area #1).

PROPOSED IMPROVEMENTS:

Area #1 (Unimproved Area and Access on North End of Property)

Parking: Approximately ten (10) unmarked stalls are provided in an unpaved lot. A van accessible parking area will be provided.

Area #2 (Control and Main Access Area to Big Sandy Beach)

Parking: A total of 57 stalls are provided in a paved lot. Two (2) standard accessible stalls and one (1) van accessible stall for a total of three (3) accessible stalls will be provided.

Access Route: Route to the beach from the parking will be addressed upon approval of ADAAG for Accessibility Guidelines for Outdoor Developed Areas. Pedestrian access is currently over an unimproved service road.

Portable Toilets: One (1) accessible portable toilet will be provided.

Picnic Tables: One (1) accessible picnic table will be provided.

Area #3

Parking: A total of 51 stalls are provided in a paved lot. Two (2) standard accessible stalls and one (1) van accessible stall for a total of three (3) accessible stalls will be provided.

Access Route: Route to the beach from the parking will be addressed upon approval of ADAAG for Accessibility Guidelines for Outdoor Developed Areas.

Portable Toilets: One (1) accessible portable toilet will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$27,000	2003
Construction	\$55,000	2003-2004

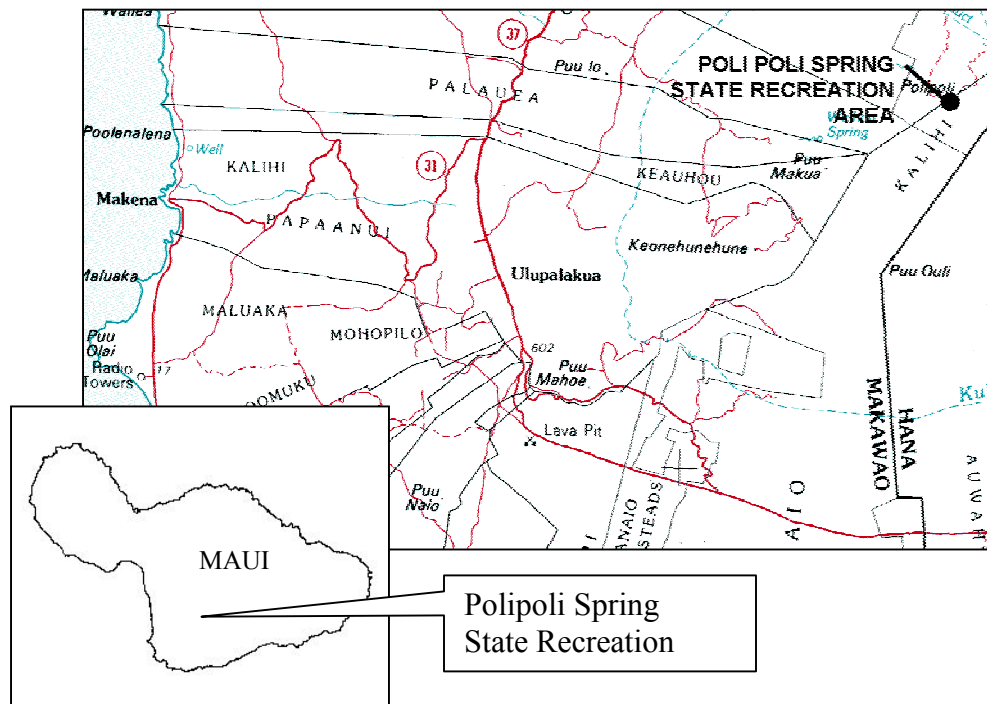

COMMENTS:

Accessible self-composting toilets at area number 2 were cancelled in 2001 due to environmental pollution concerns. Portable ADA toilets supplied in area numbers 2 and 3.

DIVISION OF STATE PARKS
POLIPOLI SPRING STATE RECREATION AREA
MAUI
ID# 2305

GENERAL SITE DESCRIPTION:

Located at the 6,200-foot elevation in the Kula Forest Reserve, 9.7 miles upland from Kula on Waipoli Road off Kekaulike Avenue, the area offers camping and lodging (one cabin) within the fog belt of Kula forest. Sweeping views of Central and West Maui, Kahoolawe, Molokai and Lanai in clear weather. No campground showers.

PROPOSED IMPROVEMENTS:

Location 1 - Camping Area

Parking:

Approximately eight (8) undesignated stalls are provided in an existing unpaved parking lot. One (1) van accessible stall will be provided.

Access Routes:

Existing routes are along natural terrain that provide different slopes and unstable ground. A feasibility study will be conducted to determine if an accessible route can be provided to a campsite and the outdoor toilet room.

Outdoor

Toilet Room:

Accessible entry into toilet room will be provided. Providing an accessible toilet room is technically infeasible. Toilet room will be modified to the maximum extent feasible.

Picnic Tables: One (1) accessible picnic table will be provided.

Campsite: Campsites are on natural terrain. A study will be conducted to determine if a site could be made accessible.

Location 2 - Cabin:

Parking: Parking is provided in an unpaved lot in front of the cabin. One (1) van accessible stall will be provided.

Cabin: One (1) cabin rental is provided at the site. It will be made accessible.

COST ESTIMATE/SCHEDULE:

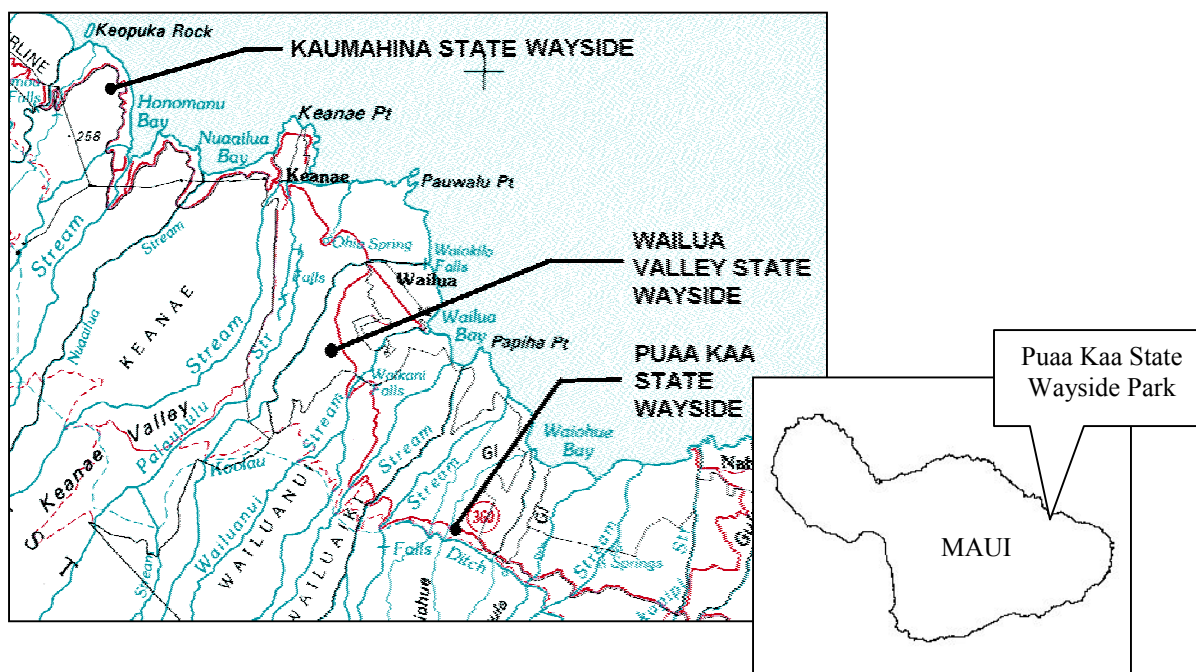

Design	\$40,000	2003-2004
Construction	\$78,000	2004

COMMENTS:

This park as located within a Forest Reserve is mainly undeveloped and maintained in an outdoor setting. The ground is generally sloping. .

GENERAL SITE DESCRIPTION:

Located along Hana Highway, approximately 38 miles east of Kahului Airport, this rest stop provides parking, restroom, and covered shelters for picnicking with views of a waterfall and passing stream. This is a popular rest stop between Kahului and Hana. The other rest stop with toilet facilities is at Kaunahina State Wayside. No drinking water is provided.

PROPOSED IMPROVEMENTS:

- Parking: A total of 18 paved stalls are provided, of which one (1) van accessible stall will be provided.
- Comfort Station: One (1) each men's and women's restroom will be made accessible, including a route from the accessible parking to the comfort station.
- Public Telephone: Accessible public telephone provided under Job No. F59-C-627-A, Puaa Kaa State Wayside, Pavilions and Picnic Improvements.
- Route to Picnic Area: The existing paved route to picnic area across the highway is along steep terrain. Handrails will be provided and a feasibility study will be conducted to determine if an accessible route is possible.
- Picnic Tables: Two (2) accessible picnic pavilions and table were provided under Job No. F59-C-627-A. Only one (1) has an accessible route located near the parking and comfort station.

COST ESTIMATE/SCHEDULE:

Design	\$57,000	2003-2004
Construction	\$166,000	2004

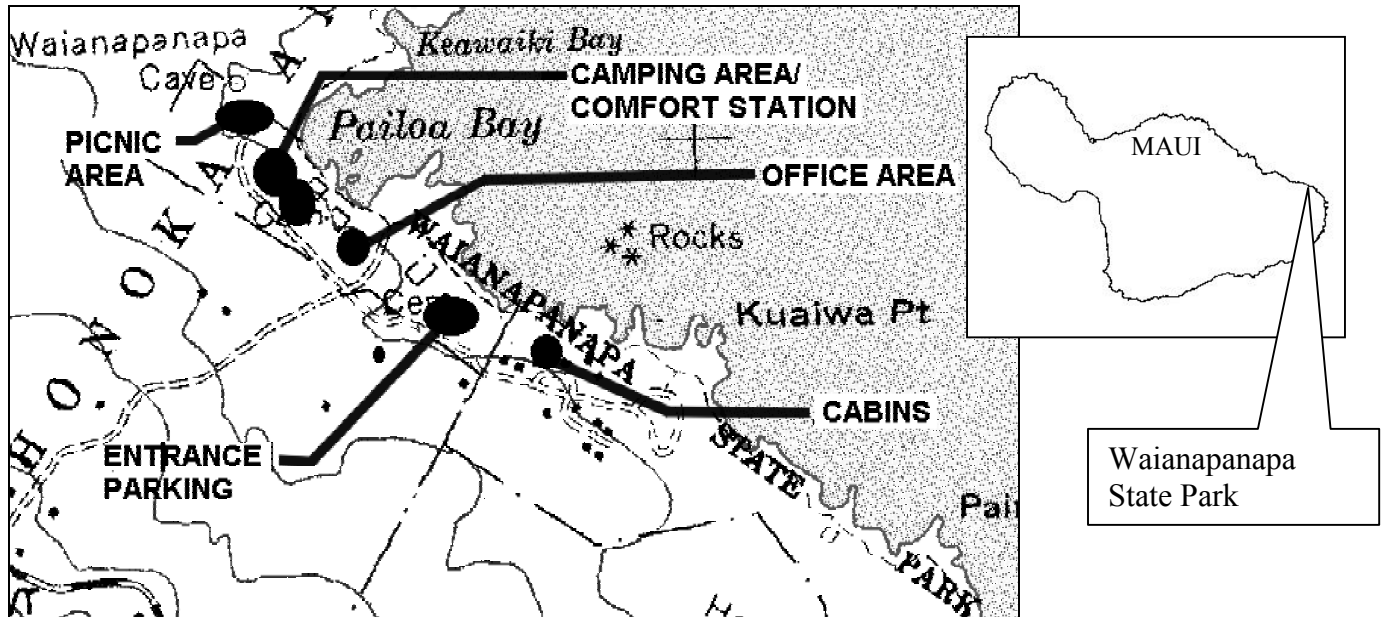

COMMENTS:

The improvements completed under Job No. F59-C-627-A were not ADA funded.

DIVISION OF STATE PARKS
WAIANAPANAPA STATE PARK
MAUI
ID# 2307

GENERAL SITE DESCRIPTION:

The park is located at the end of Waianapanapa Road off Hana Highway, 52.8 miles east of Kahului Airport, near the Hana Airport and the town of Hana. This 122-acre park is along the coastline and offers lodging, camping, picnicking, and hardy family hiking.

PROPOSED IMPROVEMENTS:

Location 1 - Entrance Parking Lot

Parking: Approximately 25 unmarked stalls are provided in a paved lot. The lot will have one (1) van accessible stall.

Public Telephone: Telephone complies. No work will be performed.

Location 2 - Office Area

Parking: Total of five (5) parking stalls provided in a paved lot. One (1) van accessible stall will be provided.

Office: An access route and the office will be made accessible.

Location 3 - Camping Area

<u>Parking:</u>	Total of 17 stalls are provided in one (1) lot. One (1) van accessible stall will be provided in the lot.
<u>Barbecue Pits:</u>	One (1) accessible barbecue pit will be made accessible.
<u>Route to Campsites:</u>	Route to campsites complies. No work will be performed.
<u>Campsite:</u>	Campsites are undesignated sites on a grassy area. The area will be surveyed to provide an accessible campsite.

Location 4 - Comfort Station Area

<u>Parking:</u>	Total of two (2) stalls are provided in a paved lot. One (1) van accessible stall will be provided.
<u>Comfort Station:</u>	One (1) each men's and women's restroom will be made accessible. An accessible route from accessible parking to comfort station will be provided.
<u>Water Fountain:</u>	Accessible water fountain will be provided.
<u>Outdoor Shower:</u>	One outdoor shower will be made accessible.

Location 5 - Picnic Area

<u>Parking:</u>	Total of 22 stalls are provided in a paved lot. One (1) van accessible parking stall will be provided in the lot.
<u>Picnic Tables:</u>	Several picnic tables are provided. One (1) picnic table and route will be installed to an accessible parking.
<u>Water Fountain:</u>	Accessible water fountain will be provided.

Location 6 - Cabins

<u>Parking:</u>	One (1) van accessible stall and accessible route will be provided to the accessible cabin.
<u>Cabins:</u>	One (1) existing cabin will be made accessible.

Trails To Various Park Sites:

Paved trails to various park features (black sand beach, caves, etc.) are provided. Improvements on the trails will be deferred pending approval of ADAAG for Accessibility Guidelines for Outdoor Developed Areas.

COST ESTIMATE/SCHEDULE:

Design	\$73,000	2003-2004
Construction	\$181,000	2004-2005

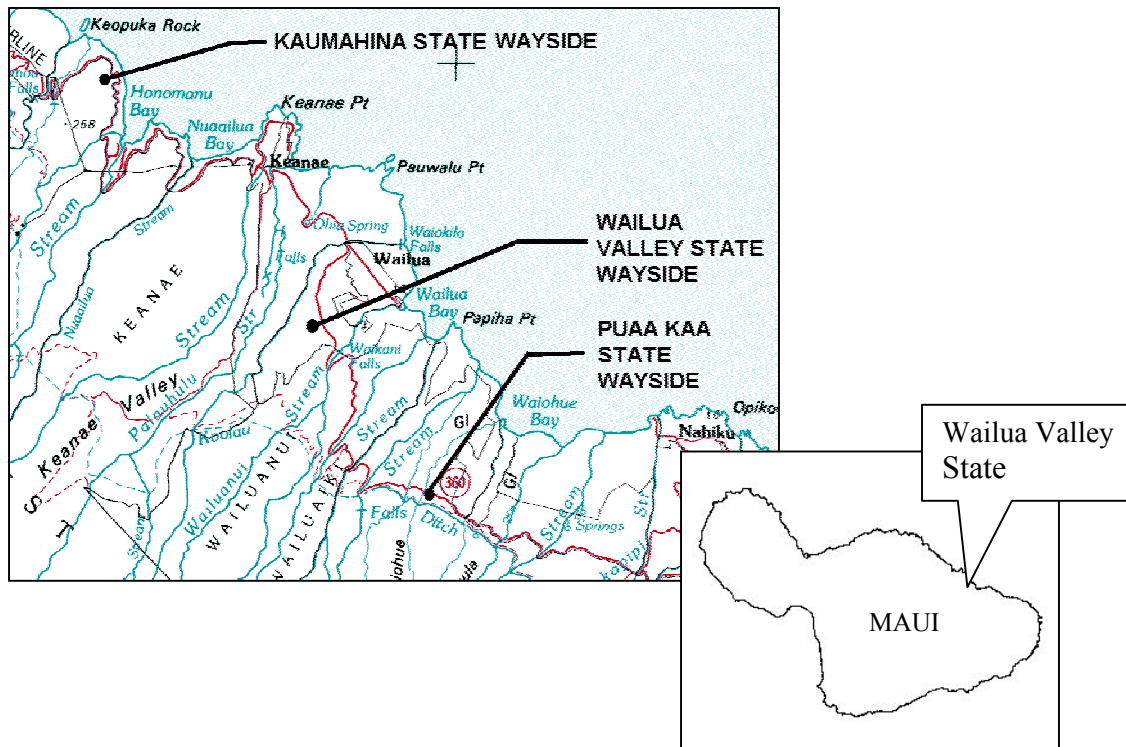

COMMENTS:

None.

DIVISION OF STATE PARKS
WAILUA VALLEY STATE WAYSIDE
MAUI
ID# 2308

GENERAL SITE DESCRIPTION:

Located along Hana Highway, approximately 32 miles east of Kahului Airport, near the town of Wailua, this scenic lookout provides parking and views of Keanae Valley and Koolau Gap in Haleakala's rim, and of Wailua Village and taro patches in opposite direction. No restrooms or drinking water provided.

PROPOSED IMPROVEMENTS:

Parking: Approximately five (5) unmarked stalls are provided in an unpaved lot. One (1) van accessible parking area will be provided.

Route to Lookout: The terrain to the lookout is along an existing steep stairway. Handrails will be provided and a feasibility study will be conducted to determine if an accessible route is possible.

COST ESTIMATE/SCHEDULE:

Design	\$15,000	2004
Construction	\$33,000	2004-2005

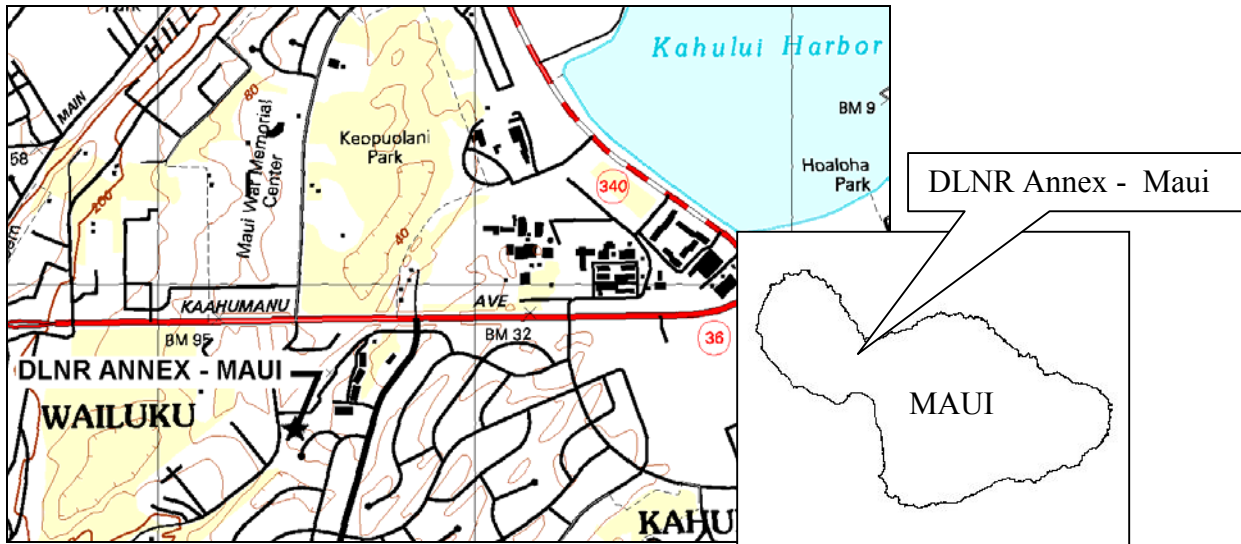

COMMENTS:

None.

DLNR ANNEX - MAUI
MAUI
ID# 0301

GENERAL SITE DESCRIPTION:

Located at 130 Mahalani Street in Wailuku, the DLNR Annex serves as offices for the Division of Aquatics Resources and Division of Engineering. The Division of Aquatics Resources distributes permits and posters to the public at a counter near the front entrance of the building. The building has a conference room, which is used for public meetings.

PROPOSED IMPROVEMENTS:

Parking Lot:

Public Parking: A van accessible parking stall will be provided.

Accessible Route: An accessible route will be provided from the accessible parking stall to entrance of building.

Office Building:

Public Unisex Restroom: Unisex restroom complies. No work will be done.

COST ESTIMATE/SCHEDULE:

Design	\$5,000	2004
Construction	\$14,000	2004-2005

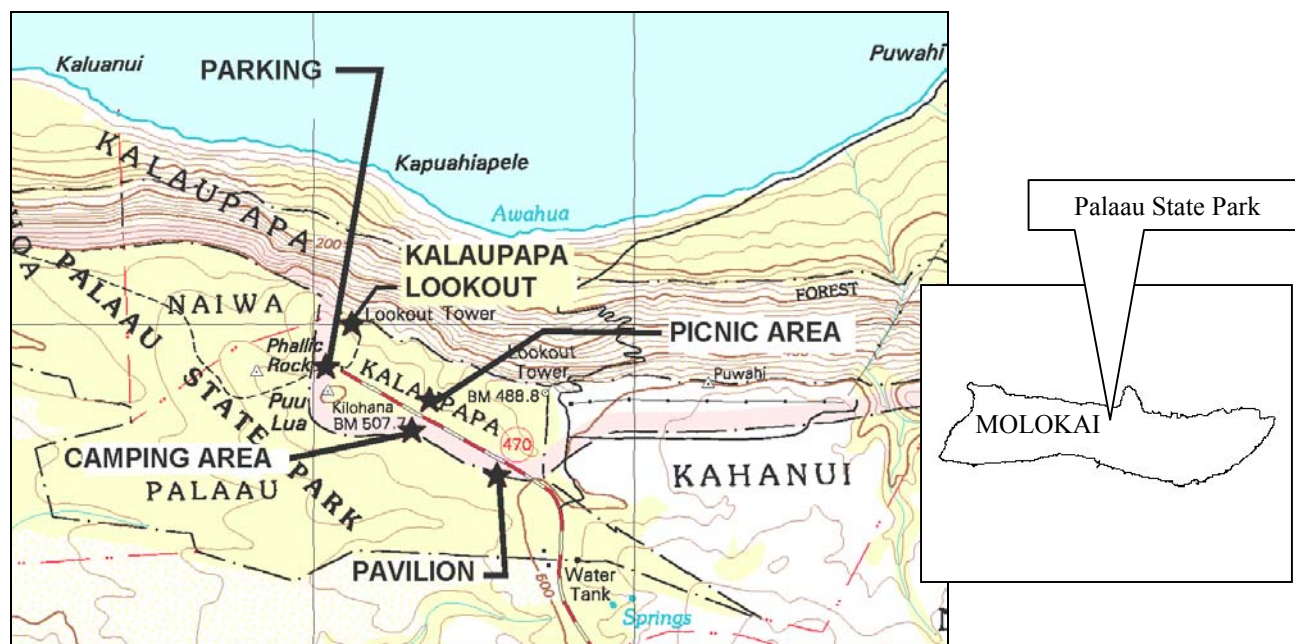

COMMENTS:

Distributing permits to the public from the front counter is programmatically accessible.

DIVISION OF STATE PARKS
PALAAU STATE PARK
MOLOKAI
ID# 2309

GENERAL SITE DESCRIPTION:

Palaau State Park is a 233-acre park at the end of Kalae Highway. The park overlooks Makanalua Peninsula and Kalaupapa 1,600 feet below. The park offers picnicking, camping, and hiking in an ironwood grove. Restrooms are available, but there is no potable water. Potable water is scheduled to be provided to the park by the end of 2002.

PROPOSED IMPROVEMENTS:

Location 1 - Kalaupapa Lookout

- Parking: A total of 14 stalls are provided in an existing paved parking lot. One (1) van accessible stall will be provided.
- Comfort Station: One (1) each men's and women's restroom will be made accessible.
- Lookout: A level pad will be provided at the lookout.
- Access Route: An accessible route connecting the parking to the comfort station and lookout will be provided.

Location 2 – Phallic Rock

Access Route: Route to Phallic Rock is a trail. Improvements on the trail will be deferred pending approval of ADAAG for Accessibility Guidelines for Outdoor Developed Areas. An interpretive sign will be provided near trailhead and parking (Kalaupapa Parking Lot).

Location 3 – Picnic Area

Parking: A total of 11 stalls are provided in an existing paved parking lot. One (1) van accessible stall will be provided.

Access Routes: An accessible route connecting the parking to the accessible picnic table will be provided.

Picnic Tables: One (1) accessible picnic table will be provided.

Location 4 - Camping Area

Parking: Parking is provided in a gravel lot near each campsite. One (1) van accessible stall will be provided.

Comfort Station: One (1) each men's and women's restroom will be made accessible.

Outdoor Shower Stall: One (1) outdoor shower stall will be made accessible.

Campsite: One (1) accessible campsite will be provided.

Access Routes: The existing route from the campsites to the comfort station complies.

Location 5 - Pavilion

Parking: Parking is provided in a large paved lot with unmarked stalls. One (1) van accessible stall will be provided.

Access Routes: The existing route from the parking to the pavilion complies.

Restrooms: One (1) each men's and women's restroom will be made accessible.

Pavilion: The beams in the existing A-frame pavilion goes below 80-inches above the finished floor and becomes a protruding object. Picnic tables and railings will be placed under the beams as detectable barriers.

COST ESTIMATE/SCHEDULE:

Design	\$66,000	2003-2004
Construction	\$302,000	2004-2005

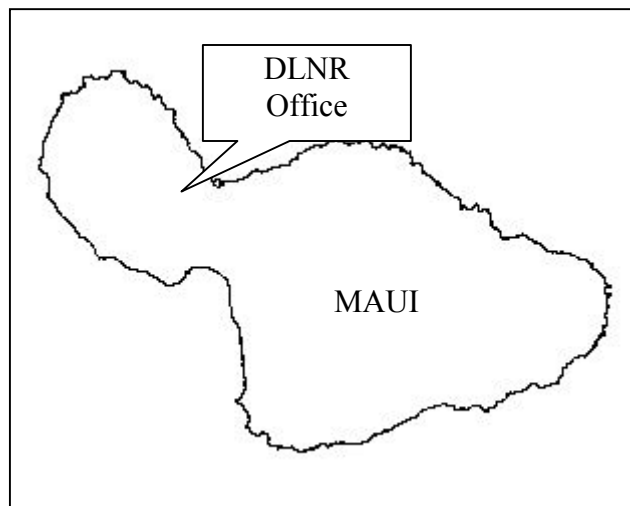

COMMENTS:

None.

DIVISION OF FORESTRY AND WILDLIFE
DLNR OFFICE
MAUI
ID# 3301

GENERAL SITE DESCRIPTION:

The office is located within the State Office Building, located in Wailuku on South High Street. The building is under the control of the Department of Accounting and General Services and is responsible for all of the facility common areas.

PROPOSED IMPROVEMENTS:

Accessible Features: The Department of Accounting and General Services will be notified in writing to address all accessible features.

COST ESTIMATE/SCHEDULE:

Design	\$0	---
Construction	\$0	---

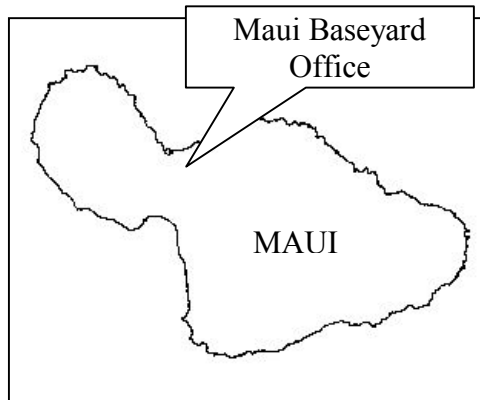

COMMENTS:

Public access in the office is not permitted. All public services are done at the service window counter.

DIVISION OF FORESTRY AND WILDLIFE
MAUI BASEYARD OFFICE
MAUI
ID# 3302

GENERAL SITE DESCRIPTION:

The site is the Division of Forestry & Wildlife Maui field operation yard. It is located in Kahului on Haleakala Highway. A total of 16 public parking stalls are provided, of which, one is designated accessible. The baseyard building has a field office, meeting room, and restroom.

PROPOSED IMPROVEMENTS:

- Parking: A van accessible stall will be provided.
- Accessible Route: The route from the accessible stall to the building will be made accessible.
- Meeting Room/Office: The meeting room will be made accessible.
- Restroom: The men's and women's restroom will be made into an accessible unisex restroom.

COST ESTIMATE/SCHEDULE:

Design	\$5,000	2003-2004
Construction	\$45,000	2004

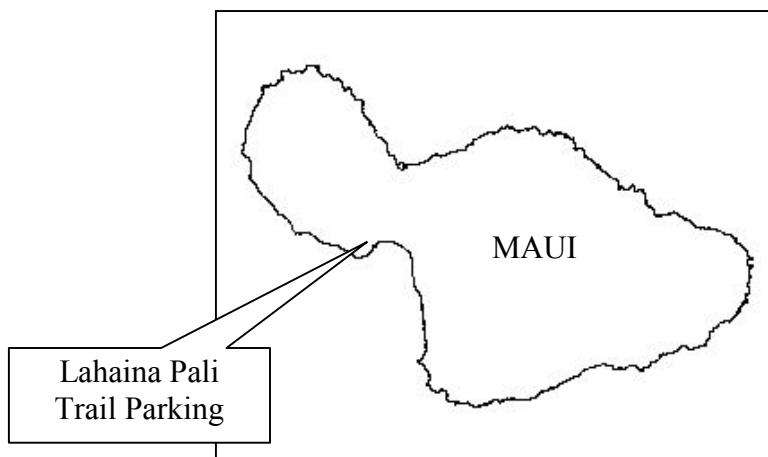

COMMENTS:

The facility is mainly for employees only except for the meeting room where meetings with the public are held.

DIVISION OF FORESTRY AND WILDLIFE
LAHAINA PALI TRAIL PARKING
MAUI
ID# 3303

GENERAL SITE DESCRIPTION:

The Lahaina Pali Trail can be accessed from the east and the west. The east entry is located 2.5 miles south of Wailuku Town, via an unimproved road adjacent to the junction of Kuihelani Highway (Route 380) and Kihei Road (Route 31). The access is at the end of an unimproved road. There is no parking and the land is privately-owned. The west entry, the designated trail head, lies ten (10) miles south of Lahaina and three (3) miles west of Maalaea Harbor. The parking area is accessible from Highway 30 at Manawaipueo Gulch, about 0.25 mile north of the Pali tunnel. The parking lot has approximately 12 parking stalls, none is designated accessible.

PROPOSED IMPROVEMENTS:

<u>Parking East Entry:</u>	There is no designated parking and the land is privately-owned. No accessible stall will be provided.
<u>Parking West Entry:</u>	A paved van accessible stall will be provided.
<u>Accessible Route:</u>	An accessible route will be provided from the accessible stall to the trailhead and trail informational sign.

COST ESTIMATE/SCHEDULE:

Design	\$6,000	2003-2004
Construction	\$5,000	2004

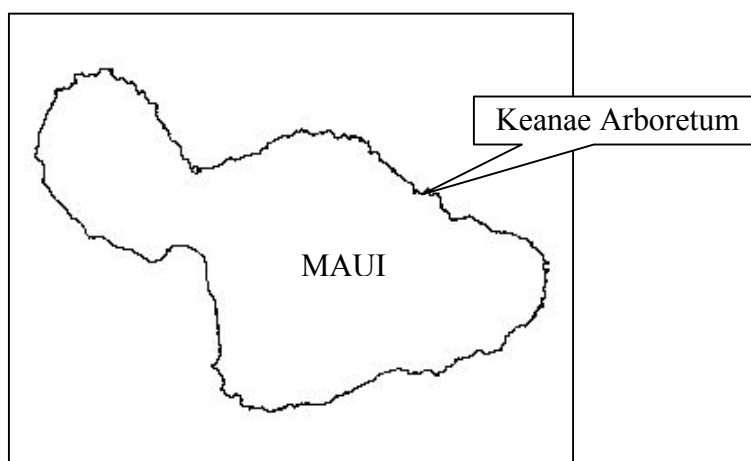

COMMENTS:

Lahaina Pali Trail is an historical road. No improvements will be done on the trail.

DIVISION OF FORESTRY AND WILDLIFE
KEANAE ARBORETUM
MAUI
ID# 3304

GENERAL SITE DESCRIPTION:

The Keanae Arboretum is located in a tropical forest setting, near the Hana Highway, on windward East Maui. The Arboretum has no facilities or amenities associated with it and no guided walks or brochures. There is no designated parking area on site. Parking is along the road right-of-way of Hana Highway, which falls under the jurisdiction of the Department of Transportation.

PROPOSED IMPROVEMENTS:

Parking: There is no designated parking area. No accessible parking will be provided.

Accessible Route: No work will be done on the Arboretum trail. Work on the trail will be addressed upon the finalization of the ADAAG trail guidelines.

COST ESTIMATE/SCHEDULE:

Design	\$0	---
Construction	\$0	---

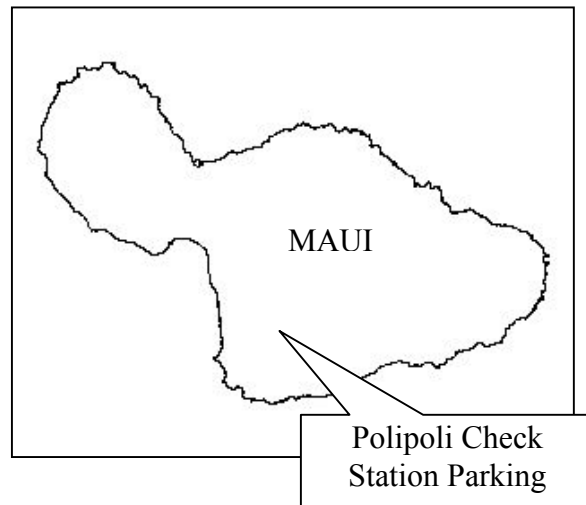

COMMENTS:

None.

DIVISION OF FORESTRY AND WILDLIFE
POLIPOLI CHECK STATION PARKING
MAUI
ID# 3305

GENERAL SITE DESCRIPTION:

The site is the check-in station for hunters entering into the Polipoli Springs State Park. It is located along Polipoli Access Road, at the entrance to the park. There is no designated parking at this facility.

PROPOSED IMPROVEMENTS:

Parking: There is no designated parking. No accessible parking will be provided.

Accessible Route: An accessible route will be provided to the check-in station counter.

Check-in Counter: An accessible check-in counter will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$6,000	2004
Construction	\$7,000	2004

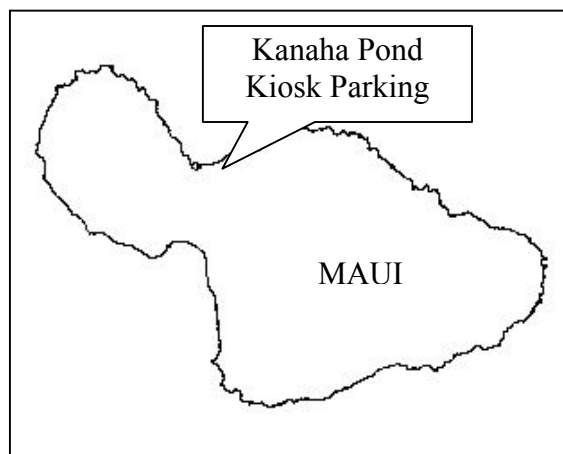

COMMENTS:

None.

DIVISION OF FORESTRY AND WILDLIFE
KANAHA POND KIOSK PARKING
MAUI
ID# 3306

GENERAL SITE DESCRIPTION:

Kanaha Pond is a wildlife sanctuary located in the town of Kahului. A kiosk, provided for viewing of the wildlife, is located off Haleakala Highway between Keolani Place and Hana Highway. A total of 16 parking stalls are provided, of which, two are designated accessible.

PROPOSED IMPROVEMENTS:

Parking: A van accessible stall will be provided.

Accessible Route: The route from the accessible stall to the kiosk will be made accessible.

COST ESTIMATE/SCHEDULE:

Design	\$5,000	2004
Construction	\$6,000	2004

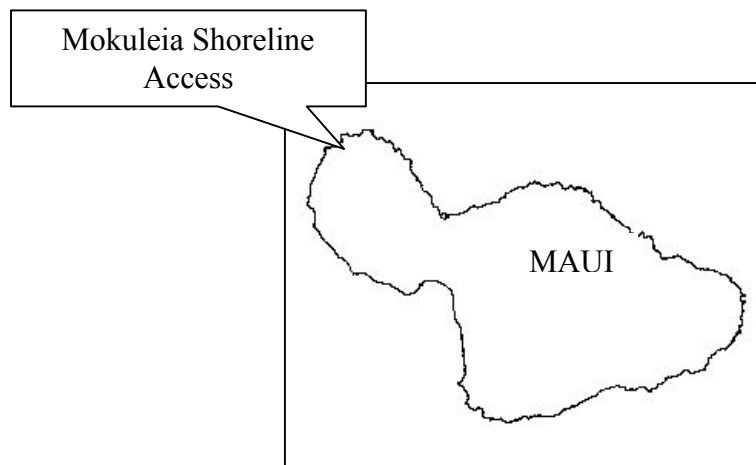

COMMENTS:

None.

DIVISION OF FORESTRY AND WILDLIFE
MOKULEIA SHORELINE ACCESS
MAUI
ID# 3307

GENERAL SITE DESCRIPTION:

The site is located within Honolua-Mokuleia Bay marine life conservation district. An unpaved parking is provided for approximately six (6) parking stalls, of which, one is designated accessible. Access to the shoreline is along a stairway with 88 steps and 16 level landings. The stairway ends at the entrance into the shoreline management area.

PROPOSED IMPROVEMENTS:

- Parking: A paved van accessible stall will be provided.
- Accessible Route: The route from the accessible stall to the top of the stairway will be made accessible.
- Stairway: An accessible handrail will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$35,000	2003-2004
Construction	\$39,000	2004

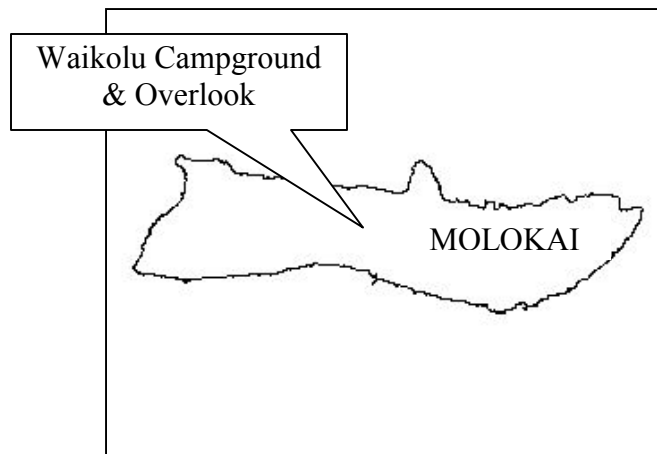

COMMENTS:

A feasibility study will be conducted to determine the feasibility of providing an accessible ramp, from the van accessible parking stall (located at the top of the cliff) to the entrance into the shoreline management area (located at the bottom of the cliff).

DIVISION OF FORESTRY AND WILDLIFE
WAIKOLU CAMPGROUND & OVERLOOK
MOLOKAI
ID# 3308

GENERAL SITE DESCRIPTION:

The campground and overlook is located at the 3,600 feet elevation, above the cliff overlooking Waikolu Canyon, on the island of Molokai. Access to the campground is along the Molokai Forest Reserve Road. A 4-wheel drive vehicle is required. There is no parking area. The campground has four (4) pit toilet stalls, a pavilion, and an overlook area.

PROPOSED IMPROVEMENTS:

<u>Parking:</u>	A paved van accessible stall will be provided at the pavilion and near a campsite.
<u>Accessible Route:</u>	An accessible route will be provided from the accessible stall to the pavilion, campsite, pit toilet, and overlook area.
<u>Pavilion:</u>	Access to the pavilion will be provided.
<u>Pit Toilet:</u>	An accessible pit toilet will be provided.
<u>Overlook:</u>	An accessible route to the overlook will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$26,000	2003-2004
Construction	\$42,000	2004

COMMENTS:

None
